Draft UO FIP Schedule 7-29-16.xlsx

I found a Draft FIP Schedule on the restricted share I drive and updated it. It shows dates for both 45-day OMB Review and 90-day OMB review. I think we will be somewhere in between, considering we will not have responded to the initial interagency review comments by 8/6/16. I think Jody has the access to update ADP Tracker, or we can just ask Darryl Adams to update it. Should we update it assuming 90-day OMB review? That would put signature (or at least completion of OMB Review) at 9/21/16.

Thanks,

Claudia

Hi Claudia and Chris - Can one of you take the lead and revise the timeline that Dee sent out last to reflect the new schedule and send back to this group for review? I need by Monday morning. Thanks.

Monica – Shaun asked if we could sketch out a new time line for the FIP. Based on your last update it doesn't seem like we'd have a final version from OMB until sometime in September – do you think that's accurate, or do we have a chance of getting it sooner? If it is September, what would be our time frame to get it out for proposal, the FN out to start the clock and then final?

Thanks
